

Directions from Sand Hill Road

- *From Sand Hill Road turn at Saga Lane intersection into the SLAC National Accelerator Lab, staying in left lane; stop at Guardhouse at Main Gate to check in.*
- *Have identification ready and let the guard know you are here for the EM Databank Challenges Workshop in Bldg. 053.*
- *At Loop Road, go straight across to our Main Bldg. 053 SUSB (circled in above picture) parking lot. There is alternative parking in lots A, H, & G (we have open parking with no parking permits required, w/exception of govt. vehicle parking spots – these are clearly marked).*
- *No badges or parking permits will be required for your visit with us today.*
- *On morning of meeting, I will be in lobby of Bldg. 053 to meet you, hand out badges, and answer any questions you may have.*
- *If you have any questions before then, please do feel free to contact me:*
